

Residential Curbside Garbage Program

*Recycle Ranger wants YOU to
"help keep Buckeye Green"*

Solid Waste
Division of
Public Works
(623) 349-6805

To assist us in providing you with the best service possible, **PLEASE** refer to the program guidelines below.

- Use your tan container for garbage only. All material must fit inside the container so the lid closes, per the Maricopa County Health Department.
- Please **"Bag & Tie"** all garbage and grass before placing them in the tan garbage container. It helps prevent unhealthy conditions. It's more than a good idea, it's the law!
- Don't place rocks, dirt, concrete, plaster, building materials, toxic or hazardous waste in your container.
- Don't place hot ashes, cinders, coals or any other burning material in your container.
- **Front curb collection:** Please place your container away from parked cars, light poles, mail boxes and other obstacles that may prevent Allied Waste from servicing it. Containers should be placed at the curb.
- **Alley collection:** Please place only your tan cart out for collection, away from any landscaping obstacles that may prevent Allied Waste from servicing it. Only the tan cart should be placed on the concrete pad.
- Please place your tan container at the curb by **5:30 a.m.** the day of your scheduled collection.
- Please make sure the lid of your tan container opens toward the collection vehicle.
- Residents who require additional garbage capacity may order additional containers. An additional monthly fee of \$11.25/month is charged for each additional container. To order, call the Utility Billing Division at (623) 349-6100.
